JUDGMENT

Petitioner, though registered as a private student for M.A., did not write any examination in 2002 or 2003. However, an application was filed in 2005 with a request to permit him to write the examination. No interim orders are seen passed by this court permitting the petitioner to write any examination. In the circumstances, it is for the petitioner to seek fresh registration and write the examination. The W.P. is closed.
